

5 Courses

Introduction to Virtual Reality

3D Models for Virtual Reality

3D Interaction Design in Virtual Reality

Building Interactive 3D Characters and Social VR

Making Your First Virtual Reality Game

**UNIVERSITY
OF LONDON**

Apr 24, 2024

Mritunjay Sharma

has successfully completed the online Specialization

Virtual Reality

This specialisation from the University of London will introduce you to virtual reality. Virtual reality is one of the highest demand skill sets in the jobs market, and this specialisation will give you an introduction to the subject and key skills in the field. You will hear from world-leading lecturers and industry experts, use Unity to develop your own VR environment, and end the specialisation by creating your first VR game.

Dr Marco Gillies PhD
Cantab

Dr Sylvia Xueni Pan PhD

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
